Sunday, October 16th is children's day so what a perfect occasion to celebrate our beautiful gifts that God has given to us!

Few Reminders:

Fall is Fast Approaching:

Fall is just around the corner and hopefully some cooler temperatures too. ☺ With the change of weather please be sure to keep in mind that we will/do go outdoors, so make sure your child is dressed for this. You can always refer to our "Weather Chart" posted on the Parent Bulletin Board-if you have any questions as to when we will go outdoors, especially during the winter months.

Parking Lot:

Please be cautious while driving in our parking lot-it can be a very busy place, so it is very important to drive slowly. Remember, children easily get distracted and are still learning how to follow directions. Also please do not park in our handicap parking spaces unless you are handicap-there are several people that are in and out of our building daily that truly need to use those particular spaces.

Peanut-Free Facility:

Please do not forget that we are a PEANUT-FREE facility. It is vital that everyone follows this rule. This means that no one is allowed to bring in any type of food that contains peanuts, traces of nuts, nor made in a factory that processes peanuts/nuts. Thank you for your cooperation in this matter for we have several children that are severely allergic.

Medical Information:

Some families may have recently received some paperwork on their child's medical needs-please be sure to have these forms completed and returned to us in a timely manner. The State requires all of these particular forms to be updated on an annual basis. If you have any questions or concerns please let us know.

Classroom Name Change:

I wanted to share with each of our families that our Buttercup's classroom is now called the Rose's classroom in loving memory of Ms. Rosanna. We were blessed with Ms. Rosanna's loving teaching abilities for almost 11 years at Aley Child Development Center, when she passed this past June. With that we have decided to name her favorite classroom after her- the "Rose's" Class! If you have any other questions or concerns on this matter-our door is always open.

Sincerely,

Jennifer Heaton
